Campbell Press

Vol. 85, No. 30 WEDNESDAY, JULY 27, 1977 Campbell, California Price 25c

We hear you

I agree that maybe some people are letting their lawns die to save on water but I think others are just using it as an excuse for letting their yards go.

One Person's Opinion

I have a bet going. When is the loop street going to be open; in August or November?

Young Reader

Editor's note: You mean the north loop (Civic Center drive), of course, and the target date for opening is November 1. Recently though, the contractor has been putting extra workers on the job (because of a slowdown on another job in San Jose) and, at last report, work was ahead of schedule.

This may not seem like a big thing but it bothers me. The pamphlet showing classes being offered by the city this summer has [illegible] drawings, all of [illegible] Even the picture for the baton twirling class shows a man drum major and isn't that a girl's group?

Little Libber

Editor's note: The Bonnie Rosettes are open to both boys and girls but, at present, are predominently girls.

I lived in Campbell until about 10 years ago and recently moved back. I can't believe what a change there's been. It's like overnight that little town I knew and loved has turned into a city. I'm not sure yet whether or not I like it. Oh, the parks are alright and the new City Hall and library are beautiful. But that small town atmosphere is gone.

Liked the Good Old Days

I'm very upset with a comment in "We Hear You" last week about the soccer people never getting information in to the Sports Editor. I called at least four times but he never returned my call. We set up a meeting with the league people and no one showed up. By the way, to give you an idea of the number of kids involved in soccer, the spring sign-ups in Quito Little League were 200 while we had 1,080 sign-up for soccer.

George Sharrard

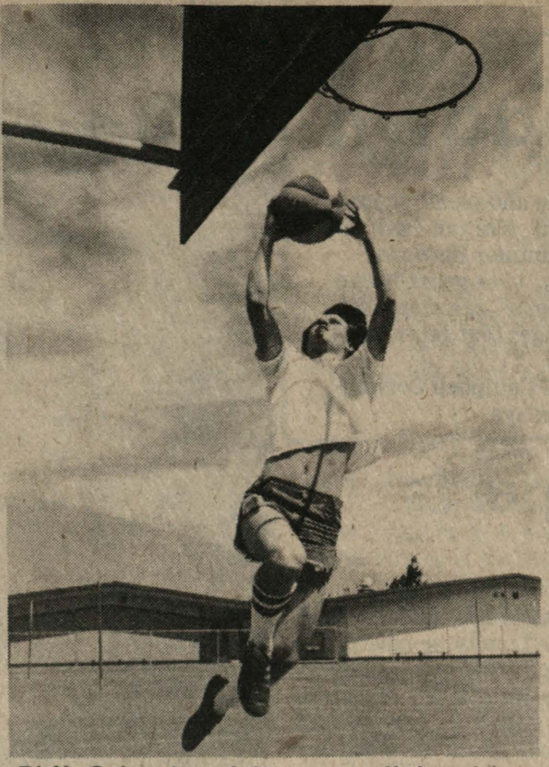
Editor's note: I don't know about the four calls but we had no notice of the meeting. Starting "right now" Sharrard says we'll start getting information on the league. He'll be putting us in touch with the person in charge of publicity this year.

I have a mental conversation with you every week but this week I decided I had to have one personally. I'm a member of your fan club and really enjoy the paper. Last week though there were so many "typos" I thought you may be going after the Chronicle Award. And the story about no CETA president for this year, quoting Phil Short, president, and the international day at the playground showing one kid dressed as a Campbell fireman; these things leave me confused. And in Siren

(Continued on page 4)

DOROTHY TREVETHAN

Stepping down after 25 years with the city this Monday is City Clerk Dorothy Trevethan. See page 5 for the story.



Phil Cohen's spirits were flying high last week with his election to a state office. For the story see inside today's PRESS.

(Photography by Amy Huntoon)

****** Notice ******

Next week, August 4, the PRESS will be returning to its old publication day of Thursday instead of Wednesday. We feel the Thursday delivery will allow us to better keep readers up-to-date on local happenings and events.

Deadlines for notices and items will remain Thursday at noon for the next week's publication. For clubs that meet Wednesday night or Thursday morning, this change will mean notices have to be into the office at 35 Dillon ave. two weeks prior to the meeting. If there are any questions or comments call 378-9136.

Use permit suggested

A look at 'porno' business

ADULT THEATERS and book stores shouldn't be banned in Campbell's commercial areas, planners decided last week, but they should have some sharp controls.

Last Tuesday the Campbell Planning Commission approved an amendment to the municipal code which would require "porno" businesses and several other establishments such as bowling alleys and auto sales lots, to obtain use permits before being allowed to operate in the city's general commercial zones. At present, no permits are required.

The draft ordinance now comes before the City Council for final action.

Earlier, planners reviewed a proposed ordinance which would have prohibited adult book stores or adult theater, along with manufacturing plants and warehouse operations, in commercial zones. City Attorney Bob Dempster advised against that blanket ban on adult businesses and suggested that requiring a use permit would allow the Commission to control these uses.

THE CITY has no "porno" businesses at present.

Voting against the proposed ordinance was Commissioner Don Hebard who argued that a book store should not require a use permit.

Other cities who have tried to combat the spread of "adult" stores and theaters have run into court challenges based on the U.S. Constitution. And some have lost.

By requiring a business to come before the use permit review, Campbell would have the legal authority to consider its impact on the surrounding neighborhood in making a decision.

OTHER BUSINESSES which would require a use permit, if the ordinance is adopted, include amusement centers, such as dance halls, arcades and bowling alleys, auto sales, equipment rental, pawnshops, tire stores, nursery or garden centers and liquor stores or cocktail lounges. Car washes and billiard parlors or pool halls already require use permits.

A list of 18 other businesses would not require permits. These include banks, pet shops, retail stores or medical-dental businesses, restaurants and private schools.

The Council is expected to act on the proposed ordinance at their second meeting in August.

Winners all in the recent Pythian Baby Pageant, these well-behaved tots met for their official picture last week at the PRESS office. It took a little persuading from the parents, but the fivesome finally got lined up in an order, of sorts. From left, Prince Ryan Broleman (9-10 months), Queen Sophia Sanchez (5-6 months), Prince Jerad Platsis (3-4 months), Prince William Coy, Jr. (10-11 months) and Duchess Carole Mantiega (18-20 months). Little Ryan listens intently as Jerad explains it's past his dinner time and Sophia and William just take in the noisy scene calmly. Little Carole says sh'ed rather be out playing than in that stuffy office. All of the local winners received trophies and certificates in the event which attracted hundreds of contestants this year.

College board to meet here

West Valley Joint Community College District's Governing Board will hold a special meeting, Thursday, July 28, at 7:30 p.m. in Room L-10 on the Campbell Campus, 44 E. Latimer Ave.

The Board will review Board Policy Section 9000 and the bylaws of the Board.

Y'all come to park hoedown

Grab your partner, ukelele and picnic supper and swing on down to John D. Morgan Park on Saturday, August 6, for the Summer Hoedown.

Hayrides, square dancing, blue grass music and even a frog jumping contest are slated for the community event for all ages that gets underway that day at 3 p.m.

For more information call Campbell Community Services at 378-8141 weekdays.

Energy experts sought

West Valley College District's resource management committee is now accepting applications through August 15 from citizens interested in energy and conservation.

The committee will be composed of five citizens appointed by the district's governing board, five students appointed by the associated student body, five faculty members to be appointed by the academic senate, five classified employees, three administrators / managers appointed by the superintendent, and two administrative advisers.

Board members indicated they wanted to appoint knowledgeable citizens to the committee and are seeking qualified applicants.

The West Valley and Mission College sites have already undertaken some conservation measures. Water consumption is reduced from last year; a cover has been purchased and is being used on the swimming pool to minimize heat loss and evaporation; temperatures will be held at 74 degrees in the summer and 65 in the winter, and some of the lights on campus will be shut down early.

Anyone interested in serving on the committee is invited to submit resumes to the superintendent's office, 14000 Fruitvale Ave., Saratoga.

Phyllis Acker

New city clerk is really on the move

TAKING OVER as City Clerk of the city of Campbell August 22 will be Phyllis Acker, former planning department secretary who was picked from a field of three finalists for the post.
(Photography by Amy Huntoon)

The first order of business for newly appointed City Clerk Phylìis Acker will be to move from her San Jose apartment to Campbell. The second will be to file a change of address with the county Registrar of Voters office.

Just one of the six applicants for the clerk's position was a registered voter in Campbell, one of the requirements, and Phyllis wasn't that one. She'll have until her official appointment date of Aug. 22 to make the move.

Campbell's new clerk is a familiar face around the corridors of City Hall. She took a temporary position with the Planning Department over the Christmas holidays in 1967 and stayed on as secretary to the department when her predecessor resigned.

"I took that two-week job over Christmas, Physllis recalls, "just to keep busy."

And she'll have plenty to keep her busy now in her duo-role as City Clerk, an elective position, and as a city employee handling 18 additional tasks, from issuing the over 4,000 business permits which come through that office yearly to accepting subpoenas for the city.

Starting salary for her new post is $1,452 which includes the $300 monthly stipend for the city clerk's post.

Phyllis was appointed from among the three finalists by the City Council at their July 18 meeting. Part of the prerequisites of the post is that the clerk must seek reelection by voters in March of 1978.

"I'm going to have an active campaign," Phyllis declared last week.

Her background includes eight years as secretary to the planning and building divisions of the City of Merced (1953-61), two years as secretary for a Nevada City hospital and graduation from the Dakota Business College in Fargo, N. Dakota.

Present City Clerk Dorothy Trevethan retires August 1 (see related article) and Deputy City Clerk Jeanne Sheehy will take up the temporary reins of office until Phyllis takes over.

Officially, she'll be on a leave of absence from her job in the Planning Department (with a temporary replacement appointed soon) until after the March election.

A widow with three children (one son died in 1966 after an illness), Phyllis is a former president of the Campbell Business and Professional Women's Association and likes to travel, read, putter with her plants and visit with her grandchildren (she has five).

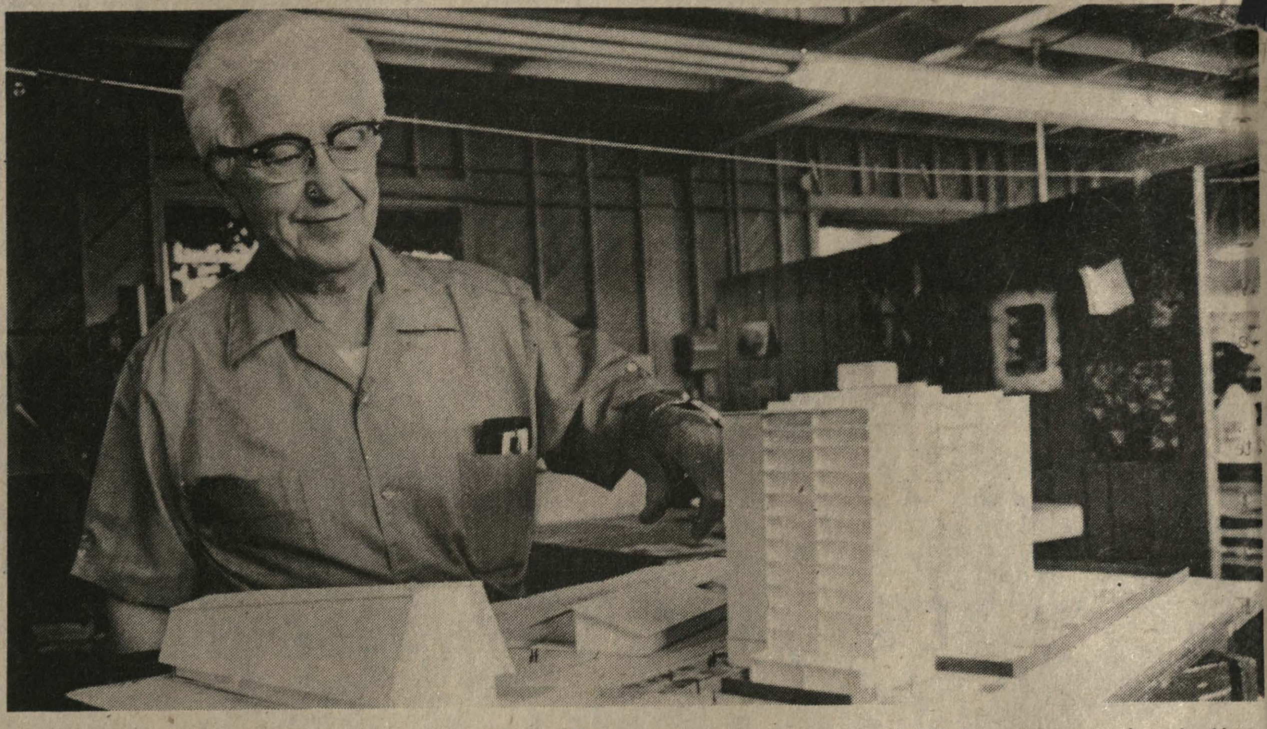
And her biggest passtime now is looking for a new apartment.

This wasn't what Dad had in mind

A 14-year-old Campbell boy was told to go jogging and ended up running for his life.

The boy's father woke him up and told him he appeared "restless' at home and to go jogging. The boy complied and while jogging, a man reportedly forced him at gunpoint to get into his car.

After a high speed ride, during which the alleged kidnapper "mumbled a lot," the boy managed to jump out at a red light and hide until he felt the coast was clear. He then RAN, not jogged, all the way home.



IF FINAL approval is given by the City Council Monday night, the 12-story Wesley Manor complex for seniors will be rising near the Winchester-Hamilton ave. intersection. Above, Consultant Robert Sargent shows a model of the high-rise building, showing its relationship to the adjacent Methodist church. Sargent says one reason for picking Campbell for the complex is its "affluent seniors." Figures from the Social Security Administration, Sargent says, shows 20 per cent of those over 65 receive low income assistance, compared to about 40 per cent county-wide.

Campbell, West Valley Sox stars triumph

Campbell to make Buena Park trip

By JEFF WAGNER

EVER SINCE THE Campbell-Moreland Bobby Sox league split, Campbell could get no where in all-star play and Moreland was always a contender.

But this year the tables were turned, at least in the minor division. Moreland's youngsters were knocked out in the third round, but Campbell's minors, behind a tough defense, went the distance and won the championship in the local All-star tournament.

The tournament, played at the old West Valley College campus in Campbell, was hosted by the champions. The all-stars will advance to Buena Park, where they will participate in a 24 team tournament, featuring all-stars from California, Hawaii, Nevada, Arizona, New Mexico and Texas. The event begins August 13.

The champs defeated a tough Foothill team 3-2 in a thrilling championship game.

EACH TEAM SCORED a run in the first inning. With one out, Lisa Baldwin walked for Campbell. Catcher Sandi Akini struck-out, but pitcher Stacy Shaunce followed with a run scoring double, tying the game.

Both teams showed a sparkling defense, allowing no runs until the fourth inning. Baldwin walked for the second time, stole second and scored on a single by centerfielder Kristie Plog.

The defenses again toughened until the dramatic seventh inning. Foothill, in their last at-bat, tied the game. Their lead-off batter walked and with one out scored on a crashing triple. Shaunce then retired the next two batters.

In Campbell's final at-bat, Maria Sherrin, the lead-off batter, walked on five pitches. She advanced to second as Wendy Failing whiffed.

Baldwin walked for the third time and, with two outs, Shaunce, who pitched the entire game, ripped a single to center scoring Sherrin from third and giving the minor division of the Campbell Bobby Sox their first local championship. The team, amazingly, had only three hits, but walked seven times.

THE MINOR tournament began Saturday, July 16. Opening round games saw Blossom Valley shut-out West Mt. View 3-0, Moreland whip Almaden 10-2, Foothill beat Milpitas 17-8 and Campbell beat Blossom Ridge 11-4.

In round two Blossom Valley edged Moreland 6-5. The winning run was scored in the last inning.

Campbell beat second place Foothill 12-6 in their first outing. West Mt. View and Blossom Ridge were the first two teams eliminated, losing 11-7 to Almaden and 11-5 to Milpitas, respectively.

Two more teams were eliminated in round three. Moreland lost to Foothill 6-4 and Almaden lost to Milpitas 11-5. Campbell advanced as they edged Blossom Valley 5-3. Three double-plays helped the winners.

Foothill eliminated Milpitas 14-2 and Blossom Valley 5-4 in round four, allowing them to advance to the finals against Campbell.

The majors began their tournament last weekend. Campbell's opening round opponent is none other than — Moreland!

ALL-STARS — The 1977 Campbell Bobby Sox minor league all-stars include (front row, left to right) Anne McGuire, Rosanne Lemer, Meg Calton, Renee Ercolini, Karen Marr-Snider, (middle row, left to right) Stacy Shaunce, Kristie Plog, Kim Keith, Maria Sherrin, Suzanne Lawson, Lisa Baldwin, Julie Medefesser, Terri Machado, (back row, left to right) manager Ann Baldwin, Jennifer Hoyer, Joell Lima, coach Rick Baldwin, Wendy Failing, Inta Skrabe, Sandi Akina, coach John Keith, Donna Langland, Cecilia O'Brien and chaperone Esther Shaunce.

MINOR STARS — The West Valley minor division all-stars include (front row, left to right) Gabrielle Gervase, Susan Miner, Shari Quick, Patricia Galloway, Susan Black, Susan Casey, Maria Saglimbeni, Denise Dillard, Lori Pedone, (middle row, left to right) Trisha Yuki, Monica Medieros, Kendra Johnson, Tina Brown, (back row, left to right) Sabrina Sorci, chaperone Margaret Williams, Chris Athens, coach Bill McCauley, Susan Shaw, Shannon McGee, coach Gary Pedone, Cynthia Hastings, manager Cathie Athens and Karen McCauley.

West Valley wins with great ease

By JEFF WAGNER

THE MINOR division of the West Valley Bobby Sox league, with the greatest of ease, won the all-star tournament played in Sunnyvale. The host Ponderosa stars were ousted by the West Valley girls 8-4 in the championship game.

West Valley outscored their opponents 42-5 in the four games they played. The defense allowed only seven hits.

In the opening round on July 16, West Valley shutout South Palo Alto 13-0. Karen McCauley tossed a one-hitter, the hit coming in the final inning. McCauley also went four for four at the plate, including a triple. Lori Pedone belted a homer and Shannon McGee added a triple.

The following day in round two, the minor all-stars whipped Blue Hills 10-1. Kris Athens threw a four hitter with three strikeouts. She went two for four at bat, including a double.

A NO-HITTER was tossed in round three. The pitcher was West Valley's McCauley, who had already tossed a one-hitter. McCauley struck out 10 in an 11-0 win over host and second place Ponderosa. She also went three for four with five RBI's

The winning all-stars belted nine hits. Outstanding defense highlighted the victory. The win enabled them to advance to the finals.

The finals started slowly for West Valley. Pitcher Sue Casey walked in three runs in the first inning and one in the second.

Athens came in to relieve her in the second inning, and finished the game, allowing no runs and only two hits.

The all-stars fought back with a run in the third, four in the fourth, another in the fifth and two more in the seventh to win 8-4.

Sue Shaw went two for three with two doubles. McCauley, Athens and Tina Brown each ripped doubles. Outstanding plays were made by Shannon McGee, Tina Brown and Sabrina Sorci.

BUT McCAULEY was the player of the week. In four games she hit .733 (11 for 15) with 10 RBI's. She pitched in two of the games, completing them both. She threw a one-hitter and a sparkling no-hit gem. She struck out 23 batters and walked only three in the two games she pitched. She plays a brilliant shortstop when not on the mound.

Other games at the tournament had Blue Hills beating Cupertino 13-3, Salinas Salad Bowl beating De Anza 8-6 and Ponderosa knocking off Branham Hills 13-7 in first round play.

Cupertino beat South Palo Alto 12-5, Branham Hills edged De Anza 8-7, and Ponderosa ripped Salinas Salad Bowl 17-7 in second round play.

Third round play saw Cupertino defeat Branham Hills 11-3 and Blue Hills shut-out Salinas Salad Bowl 8-1.

Cupertino beat Blue Hills 3-0 and Ponderosa defeated Cupertino 9-5 in fourth round play.

Tourney tickets on sale

TICKETS ARE currently on sale for the 1977 Women's Amateur Softball Association fast pitch tournament to be held in Hayward August 12-20.

Tickets, good for the entire tournament, are on sale for $30 for reserved seats and $15 for non-reserved bleacher seats.

Tickets can be ordered by mail and a check should be made payable to 1977 National Tournament and sent to P.O. Box 698, Hayward (94543). Orders should include 50 cents for handling.

newsbriefs

A SECOND DIP

For the second year in a row the tax rate in the West Valley College District could drop. But, with soaring assessed value on property, owners will still end up paying more.

Last week college trustees adopted a publication budget that, if it remains intact through final approval in August, will mean a 2 cent reduction in the tax rate; from $1.05 per $100 assessed value to $1.03.

The board that night scheduled a public hearing for August 4, at 8 p.m. in the board room, 14000 Fruitvale dr. Saratoga, to earmark the reserves in the budget.

ON DISPLAY

The Cambrian Artists League will be exhibiting paintings at the Campbell public library from August 1 through the 30th, it was announced last week.

Work will include a variety of media including watercolor, oil and encaustic.

Also on display next month will be the silk art flowers of Cathy Leonard of San Jose.

This ancient Japanese craft involves the use of a wide range of fabrics from silk to cotton.

EARN AND LEARN FOR THE 55 PLUS SET

Low income people, 55 years of age or over, may be able to qualify to earn wages while being trained for a job.

A total of 52 openings for senior citizens are now available through the Senior Community Services Project which pays $2.55 per hour for 20 hours of training weekly.

Sponsored by the county Council on Aging, the training program includes such fields as bilingual teachers' aids, mental health workers, home health advisors, home repair consultants and other vocations.

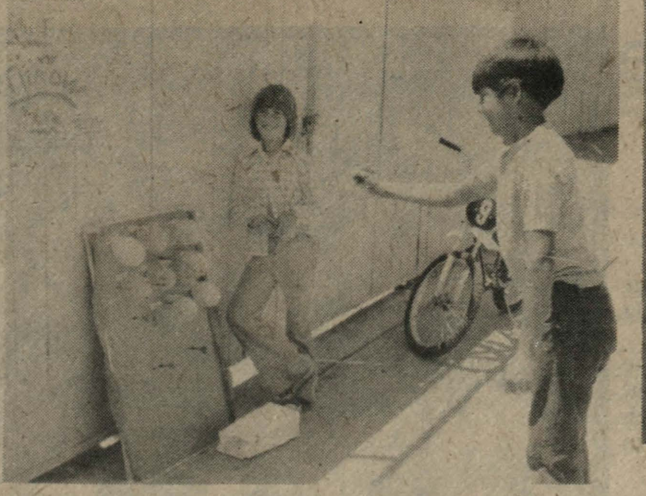
"Low income" for this special project is defined as income under $2,730 yearly for one person and under $3,970 yearly for a couple.

Call 287-8224 weekdays for more information.

SPECIAL CHURCH PROGRAM

"Pilgrim's Progress", a musical drama, will be presented this Sunday, July 31 at 10:30 a.m. at the Saratoga Avenue Baptist Church, 1735 Saratoga ave.

The public is invited to attend this production featuring students from the Western Conservative Baptist Seminary in Portland.



TRYING out the dart toss at Capri School last week was Richard Aki as Steve Holland mans the game. It was County Fair Week at Campbell elementary school playgrounds.

ADDING some spooky excitement to the Horror House at San Tomas School last Friday was Mike Kurtz and Sean Perry. The skeletons and monsters were just part of the Country Fair fare at six playgrounds; part of the Summer Recreation Program.

STARRING roles in Campbell Union High School District's upcoming production of "The Sound of Music," went to Keith Briggs who plays Captain Von Trapp and Jean Tait who portrays Maria. The play, which opened Tuesday, July 26, runs nightly through Friday, July 29 in the Campbell High School auditorium, 1 W. Campbell ave. Tickets at $3 for adults and $2 for students are available at the door.

public notices

RESOLUTION NO. 5219

BEING A RESOLUTION AND NOTICE OF INTENTION TO ANNEX CERTAIN UNINHABITED TERRITORY CONTIGUOUS TO CITY OF CAMPBELL DESIGNATED AS LOVELL 1977-3 ANNEXATION TO CITY OF CAMPBELL, AND FIXING TIME AND PLACE OF HEARING PURSUANT TO PROVISIONS OF ANNEXATION OF UNINHABITED TERRITORY ACT OF 1939, AS AMENDED.

WHEREAS, the City Council of City of Campbell has received a written petition from the owners of not less than one-fourth (¼) of the area and of the assessed value of certain contiguous uninhabited territory, according to the last preceding equalized assessment roll of the County of Santa Clara, State of California, in which such territory is situated; and,

WHEREAS, said petition requests the annexation of said uninhabited territory as defined in the Government Code of California, a municipal corporation; and,

WHEREAS, the proposal for the annexation of said uninhabited territory to the City of Campbell has been submitted to the Boundary Commission of the County of Santa Clara, State of California, and that the boundaries thereof have been approved and certified as to their correctness by said Boundary Commission; and

WHEREAS, the City Council finds and determines that it is for the best interest and general welfare of the people of the City of Campbell that said property referred to and hereinafter particularly described, be annexed to the City of Campbell;

WHEREAS, the City Council desires to designate said annexation as Lovell 1977-3 Annexation to the City of Campbell as the approximate name by which said annexation shall hereafter be referred; and,

WHEREAS, the City Council desire to annex the said territory to the City of Campbell, California; and,

WHEREAS, there has been compliance with all other statutory requirements provided by the "Annexation of Uninhabited Territory Act of 1939," as amended,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Campbell that it is its intention to annex to said City pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, as amended, the territory commonly known and designated as Lovell 1977-3 Annexation to the City of Campbell, the description of which is set forth in Exhibit "A" entitled "Description for Lovell 1977-3 Annexation to the City of Campbell," which is attached hereto and made a part hereof.

BE IT FURTHER RESOLVED, AND NOTICE IS HEREBY GIVEN, that Monday, the 8th day of August, 1977, at 8:00 p.m. of said day at the Council Chambers of City of Campbell, in the City Hall, 75 North Central Avenue in City of Campbell, are hereby fixed as the time and place for the hearing of written protests and objections to the said proposed annexation, which said protests shall state the names of all of the owners of the property affected, and the description and area of the property in general terms; and,

BE IT FURTHER RESOLVED that a copy of the Resolution and Notice be published once a week for two successive weeks in the Campbell Press, a newspaper of general circulation, published in said City, and once a week for two successive weeks in the Los Gatos-Saratoga Times Observer, a newspaper of general circulation, published in the County of Santa Clara, California, and that City Clerk forthwith mail a written notice of the proposed annexation to each person assessed in the last equalized county assessment roll or as known to said Clerk and to any person who has filed his name and address of the lands in which he has any interest, either legal or equitable with said Clerk.

PASSED AND ADOPTED this 11th day of July, 1977, by the following vote:

AYES: Councilmen: Chamberlin, Doetsch, Hammer, Paul, Podgorsek
NOES: Councilmen: None
ABSENT: Councilmen: None

APPROVED:
William R. Podgorsek
Mayor
ATTEST:
Dorothy Trevethan
City Clerk

EXHIBIT "A"
PROPOSED ANNEXATION
LOVELL 1977-3

BEGINNING, at the northeast corner of that certain parcel of land described by that certain Grant Deed Joint Tenancy recorded August 20, 1958, and filed in Book 4154 of Official Records at page 465 in the office of the County Recorder, County of Santa Clara, State of California;

THENCE, along the easterly line of said parcel of land South 2° 05' 00" East 269.97 feet to its intersection with the northerly line of Westmont Avenue (formerly Lovell Avenue) as said Lovell Avenue is shown upon that certain map of Tract No. 117 filed in Book 4 of Maps at page 22 in said office of said County Recorder;

THENCE, along said northerly line of Westmont Avenue South 81° 31' 00" West 189.88 feet to its intersection with the easterly line of Harriet Avenue as said Harriet Avenue is shown upon that certain map of Tract No. 3222 filed in Book 149 of Maps at pages 36 and 37 in said office of said County Recorder, said easterly line of Harriet Avenue also being in the existing city limits line as established by Ordinance No. 341, Campbell Annexation No. 1961-7 dated July 24, 1961;

THENCE, along said easterly line of Harriet Avenue North 2° 05' 00" West 291.14 feet to its intersection with the northerly line of said parcel of land;

THENCE, along last mentioned northerly line North 87° 55' 00" East 188.70 feet to the POINT OF BEGINNING.

CONTAINING 1.22 acres, more or less, and being a portion of the Rancho Rinconada de Los Gatos.

PUBLIC NOTICES

NOTICE OF HEARING

Notice is hereby given that the City Council of the City of Campbell has set the hour of 8 P.M. on Monday, August 8, 1977, in the City Hall Council Chambers, 75 North Central Avenue, Campbell, California, as the time and place for public hearing to consider the application of Mr. Ronald A. Woolworth and Coleman, Myers, and Williams Construction Company for: (1) a change of zoning from R-2-S (Multiple Family Residential-Medium Density-20 units per gross acre) to P-D (Planned Development-Medium Density-20 units per gross acre) and (2) approval of plans, elevations and development schedule to allow construction of twenty-two (22) cluster homes and sixteen (16) townhouses on property known as 681 West Hacienda Avenue. A.P.N. 405-25-07.

Map and legal description of subject property on file in the office of the City Clerk, 75 North Central Avenue, Campbell, California.

Interested persons may appear and be heard at said hearing.

DOROTHY TREVETHAN,
CITY CLERK
CITY OF CAMPBELL,
CALIFORNIA

Pub.:7/27/77 284-CP

LOCAL HIGH school senior Phil Cohen never dreamed he'd come back from the recent state association of student council session in Santa Barbara as the lone student representative to the state board of education. Cohen, one of two Campbell High School students who attended, was a last minute candidate for the post and elected, he says, through the efforts of Campbell high junior Ray Narragon who ran a word-of-mouth campaign against two candidates who had been planning for a year.

(Photography by Amy Huntoon)

Cohen to capital

Campbell student will represent 4.2 million youth throughout state

PHIL COHEN will be a part-time student carrying a full-time load this fall as he juggles his school schedule with meetings in Sacramento and trips to high schools throughout the state.

Cohen, a 17-year-old Campbell High senior, was elected the non-voting student representative to the State Board of Education last week at a California Association of Student's Council conference in Santa Barbara.

A self-acclaimed go-getter, Cohen was chosen from 700 delegates at the conference and attributes his election victory to his fellow rep., Ray Narragon, a junior at Campbell.

"If it hadn't been for Ray spreading my name by word-of-mouth I never would have won," he said. "Both the other candidates had campaign buttons and posters."

COHEN MAY NOT have as much time this fall for two of his favorite extracurricular activities, basketball and driving his canary yellow MG sports car, because he will be busy attending monthly meetings in Sacramento and flying around the state to talk to various high schools and get input for his advisory capacity with the board, both at the state's expense.

In between taking journalism and architecture this fall he will have to find time to publish a newsletter for the high school students to follow his progress in Sacramento.

Cohen, son of Mr. and Mrs. Murray Cohen, 249 Marianna Way, was instrumental in having Campbell High's attendance policy reviewed with the possible outcome of a new policy this fall.

"I'M A PUSHER. I don't quit until I get what I'm after," Cohen said.

The policy itself wasn't so bad as the fact that there was no student involvement on what the policy should have been, according to Cohen.

His first official state duty will be a get acquainted meeting with his predecessor, and State Superintendent of Schools Wilson Riles on August 8, and his first board meeting in Sacramento, September 7 and 8.

Cohen loves to listen to music and hopes the music he hears this fall aren't chords of discontent from his constituents.

"I'm their employee, not their employer," he said in explaining that he intends to be totally committed to the 4.2 million students he represents.

Realizing fully the responsibility of his new job, Cohen tapped Chuck Edmonds as his own personal advisor for the year to aid him in his duties. Edmonds will be teaching Cohen more than duties this fall, as Phil is slated to take a split course from him in U.S. Government-Ancient History. Edmonds is the head of the Social Studies department for the district.

Cohen, who carries a 3.6 grade point average, seems to take this position very seriously and vows not to let the kids down who voted him in by a landslide.

Now all we can do is sit back and wait for the first newsletter to roll off the presses to see if he can deliver.

If self-confidence is any indicator, Cohen will be a success.

calendar

WEDNESDAY (27)

Campbell Library will host Bedtime Magic for the kids at 7:30. Be sure to wear your pg's and bring Teddy along.

•••

It's Bingo at the Nutrition Site, 109 N. Third, this afternoon.

THURSDAY (28)

Campbell Junior Friends of the Library meet today at 2 p.m. at 70 N. Central ave. for fourth graders and up.

FRIDAY (29)

Campbell's Progressive Senior Center's Flea Market will be held from 9 a.m. to 4 p.m. at the 41 W. Rincon ave. center.

•••

Santa Clara County's disaster sirens will sound off at 11 a.m. in a test of warning systems. The sirens will emit a steady one minute blast, followed by one minute of silence and conclude with a one minute wavering signal.

•••

"Case of the Elevator Duck" will be shown at the Campbell Library as their Magical Movie of the week for families at 2 p.m. downstairs.

SATURDAY (30)

The Progressive Senior Center's Flea Market will continue from 9 a.m. - 4 p.m. at their center at 41 W. Rincon ave.

•••

The recycling Center center at Campbell High School will be open today.

MONDAY (1)

The Pruneyard invites you to their Summer Evening Concert Series to enjoy a group of 35 students from San Jose State University. The program includes classical guitar solos and small chamber works by the ensemble. The show begins at 6:30 p.m. in the Gran Plaza.

•••

Campbell High School Teen Club will hold a dance at the high school, 1 W. Campbell ave., from 8-11 p.m.

TUESDAY (2)

There will be a Magical Puppet Show at 2 p.m. at the Campbell Library. All school aged kids are invited.

A 'first' for the Campbell nutrition site

IT WAS LOVE at first site, or almost first sight, for Charles Monarchio and Mae Novak when they met at the Campbell Senior Nutrition Site in Campbell in April of 1976.

On July 13 the couple were married and last Wednesday their friends at the site held a reception in their honor complete with music, dancing, food, a cake and plenty of good conversation.

The marriage of the couple, she's 73 and he's 79, brings their combined family total to six children, 12 grandchildren and four great-grandchildren.

Ironically the two lived on the same street for 2½ years without ever meeting till that day in April.

CHARLES, a retired commercial printer, moved to this area from Brooklyn in 1969. He was divorced.

Mae, a native of Chicago, first moved to southern California before coming to this area in 1970. She had been widowed for over 30 years.

The couple plans a wedding trip to Reno later this year but for now they'll be making their weekday trips to the site and playing cards with their friends.

And can two live as cheaply as one?

"I don't know about that," Charles laughed last week, "but there'll be two people to pay the rent."

FOR OVER a year Mae and Charles have been sharing their noonday meal at the Senior Nutrition Site in Campbell. Recently, they decided to share their lives. Last week Mae got her things ready to move from her Kuehnis drive apartment to Charles' at 827 Kuehnis; just one block away.

(Photography by Ed Souza)

Historic analyst will do a study

A new face around City Hall these days is Tom King the new historic inventory analyst, one of several temporary employees federally funded through the CETA program.

King will be compiling a listing of buildings and other local landmarks of historic, architectural, cultural or aesthetic significance or merit, according to Administrative Assistant Terry Ellis.

But before the analyst gets down to compiling that list he'll be doing a "windshield survey" of the entire city before narrowing down areas for further study.

Later an indepth analysis will be made of each selected site or building and a detailed inventory made for future reference.

According to Ellis, King hopes to narrow the field down to 50 to 100 final items to be compiled in the final report due sometime next March.

King was employed by San Jose to do an analysis of that city's historic sites and buildings last year.

PRESS arena

We hear you

Sounds you usually don't give names for the people arrested or the victims. Why's that?

A Fan

Editor's note: We don't normally use names of those arrested for crimes unless we'll be able to follow their arraignment and trial to give follow-up information. Without that follow-up we're, in effect, implying guilt and many of these cases either have the charges reduced before trial or are found not guilty. The idea behind Siren Sounds is to let people know what's going on in Campbell. The "international" fireman was one child's choice for that special playground event and Phil Short's term as president expires the end of July. The new CETA officer's terms begin August 1.

I couldn't believe that story about the witch losing her job. This is the 20th century, not Salem in the 1700's.

Shocked

The name of the witch in the front page story sounded familiar to me. Isn't that the girl that appeared at the Campbell library?

Curious

Editor's note: Yes.

What ever happened to the loser's trophy for the Campbell-city softball game. In an article you said the city was trying to decide where to put it.

Chamber Fan

Editor's note: The back end of the horse trophy is now prominently on display on a shelf near the main reception desk at City Hall.

Any gripes, kudos, or ideas? Call 378-9136 to sound off.

An Affair to Remember with BEA RENÉ

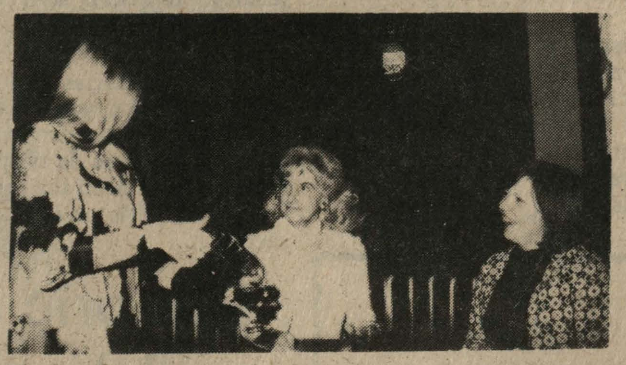
All orders at **NEW MIKE'S** in Mt. View are available for take-out . . . that is, any American, Italian or Greek entree you may desire. You may order anything from Stuffed Dolmades, Mike's Kabab Pilaf, Veal Cutlet Parmigiana, or Baked Chicken Riganati. Also, **MIKE'S** Roast Prime Rib of Beef Au Jus is a specialty for only $5.50 (dinner only). Their bar/lounge remains open until 2 a.m., so make a note of this & visit soon.



Sun. brunch at the **94TH AERO SQUADRON** is like sitting at the airfield at Toul, France . . . It's a page right out of a 1917 movie! My favorite brunch is the Poached Salmon Hollandiase or the Steak & Eggs 94th, & their fr. fruit bar w/selections of homemade baked goods & champagne is simply a joy. It's a refreshing experience to stop by the **94TH AERO SQUADRON** w/the whole family or perhaps w/guests who would like to remember their dining-out experience w/you as something unique.

Dining at one of the elegant tables at **CLEMENTINE'S** beneath a huge silk Tiffany shade is in itself a marvelous experience. The noted GOURMET MAGAZINE has recently written to **CLEMENTINE'S** requesting permission to reprint the recipe for their famous giant taco . . . they stated that a reader wrote to them requesting the recipe after enjoying this specialty at **CLEMENTINE'S** recently. This is indeed an honor & Mgr. Roger Shilling & his Chef Ramon Montoya deserve much credit & should be rightfully proud.

Your wine glass is never empty at **SIRLOIN AND BREW UNLIMITED** in Fremont, Saratoga or Belmont. Bottles of wine or pitchers of beer or sangria, all you wish, are included with all USDA Choice steak dinners. "Yours truly" enjoyed a superb dinner with Gina Driscoll, right, wife of Ed Driscoll, founder & general manager of the Bay Area chain. Remember, that every Mon., Tues. & Wed. are "Champagne nights" — the bubbly is incl. as part of your dinner, as well as bread, butter, baked potato, unlimited salad, & friendly hospitality & service. You can order a steak dinner for under $5 (with all the extras included). Take my advice & visit your closest **SIRLOIN & BREW UNLIMITED** restaurant this week.

My guests & I enjoyed a lovely evening at the **ATHERTON CLUB** where we were enchanted w/the famed singer/guitarist TONY ROMANO . . . he held the audience completely spellbound & I heard nothing but raves from customers who assured Mgr. Heidi Hird they'd return to hear him again. TONY is a handsome gentleman whose background in the entertainment world is extremely exciting . . . when he speaks of BOB & FRANK, he means none other than HOPE & SINATRA & he has many humorous tales to tell about his experiences. Stop by the **ATHERTON CLUB** to dine & enjoy TONY ROMANO twice nightly — Thurs.-Sat.

The new **BOURBON STREET RESTAURANT** has now opened in the Old Mill Specialty Center in Mt. View . . . a page right out of New Orleans. Do stop by for a memorable affair.

My guests & I enjoyed a lovely evening at the **ATHERTON CLUB** where we were enchanted w/the famed singer/guitarist TONY ROMANO . . . he held the audience completely spellbound & I heard nothing but raves from customers who assured Mgr. Heidi Hird they'd return to hear him again. Stop by the **ATHERTON CLUB** to dine & enjoy TONY ROMANO twice nightly — Thurs.-Sat.

Here's a restaurant news item: very well known ED. L. SHANE (formerly of the CITY DUMP, P.A. Ctry. Club, Los Altos Ctry. Club & Villa Hotel) is now a proud owner of the **"STADIUM"** — (formerly KEN'S MELODY INN). He'll be serving 7 days from 11 a.m.-11 p.m., serving imported wines & beer, pizza, salads, & just good food. SHANE w/be serving for many sporting events, too . . . watch for the opening!!

Plant it right there

Being a flatland city, Campbell has always been a challenge for young couples interested in seeing the skyline . . . and each other. Somehow though, lovers always find a way. (Another impression brought to you by The Silent Company mime troupe.)

Photography by Ray Downey-Laskowitz

Impressions

CREDIT WHERE IT'S DUE

Last week a member of the Campbell Planning Department staff went above and beyond the line of duty by volunteering to pose in a frog costume to publicize the upcoming Summer Hoedown at Morgan Park August 6. But he was too modest.

Planner Bruce Powell, along with K.C. Cote from Community Services and Bob Rowe, on his guitar, patiently posed for pictures in front of City Hall, attracting a small crowd and a lot of comment.

When the picture came in last Friday the ID sheet carried the correct name for the later two but, instead of Powell, the male frog was listed as, "Phil Stafford."

We feel it was charitable of Powell to give the name of his colleague in the Planning Department instead of his own. But we feel credit should be given where it's due.

Next week's **PRESS** will carry the picture of Powell playing leapfrog on the back lawn; not Stafford.

RUINING TWO PERFECT RECORDS

For 25 years Dorothy Trevethan could boast she'd never been late for a City Council session . . . until this month.

At the last session Dorothy, who retires this Monday, strolled in 10 minutes late.

And to add to this unfortunate coincidence; her successor broke a record of her own.

Phyllis Acker, who takes over as City Clerk Aug. 22, has been covering Planning Commission sessions regularly for almost 10 years.

Last Tuesday she became ill during the meeting and had to leave during the break; another first.

Planner give nod to town houses

Planning commissioners recommended approval last week for plans to construct 22 cluster homes and 16 townhouses on a 2.5 acre parcel at 681 W. Hacienda ave. The applicants are Ronald Woolworth and Coleman, Myers and Williams Construction. Final decision on the zone change, from multiple family residential to planned development, and on plans is up to the City Council.

Other commission action last week included:

- Approval of a sign for "Ft. Worth, Texas," a country and western night club at 1545 W. Campbell ave.
- Recommended approval of a a zone change to allow construction of townhouses instead of apartments at 202 and 216 W. Rincon ave.
- Continued the application of Gordon Fischer for a use permit to allow converting part of an industrial building at 1040 Dell ave. into a restaurant and bar. More information was needed on the application.

Dorothy retires this Friday

Campbell was a sleepy little town with just three employees in 1952

IN THE 25 years Dorothy Trevethan has been with Campbell, she's seen the city staff grow from three to about 180 today and the predominently orchard town change to a city known as the "hub of Santa Clara Valley."

This Friday, July 29, Dorothy steps down from her post as City Clerk. Deputy Clerk Jean Sheehy takes over until Dorothy's replacement, Phyllis Acker, steps into the spot August 22.

"When I joined the city in 1952 there were three employees and an all volunteer fire department," Dorothy related. The city offices were part of what is now the Central ave. fire station and the retiring City Clerk remembers the first election tallied there vividly.

"It was a madhouse," she declared. People were jammed in the small office as the 14 city precincts were counted. Well 13 of the 14 anyway.

BY 10 P.M. ALL but one of the precincts had reported and the tardy ones , from Campbell high school, were no where to be found. Finally Blackie (Leroy Black of public works) went out looking for them and found them having dinner at the "5 Spot."

Those precinct workers were going to bring in the results . . . as soon as they'd finished dinner.

Blackie, later the superintendent of public works, was the entire department at one time. His base of operations was the old shed behind the Central ave. fire station and the city public works equipment consisted of one "rattletrap" flatbed truck, one shovel and one pick.

And the City Clerk's duties were broader than they are now in those days. Dorothy, as the only woman employee, served as a police matron whn women were arrested, traveling with the women to the county jail facility. Most of the arrestees were docile, Dorothy recalls, but one tore her dress during an angry outburst.

IT WASN'T any danger from prisoners that made this a difficult assignment, it was the fact that some arrests were made in the wee hours of the morning, and Dorothy was called out of bed to do her duty.

One of the most common complaints that come into City Hall today is over street trees. And times haven't changed much.

Dorothy remembers that at one of the first City Council sesion held at the old Country Women's Club building (now Briner Hall) elm trees were the problem. "We received complaints about the elm trees on N. Second st. dripping more sap," she said.

Other interesting calls she remembers from the old days include the time Jerry Gomes' pigs got loose. Police had to help round up the wandering porkers, the young man's 4-H project.

And police were called into action again in the early 50's when a pet monkey got loose. Robert Locke was police chief then and directed the chase through town, punctuated by that monkey pelting officers with apricots from a local orchard.

JUST BEFORE incorporation in 1952, Campbell's population was 5,800 and post-incorporation it was listed at 7,779. By the 1955 census however, that figure had dropped to 7,000 before climbing again: to 10,832 in 1960 and 11,944 in 1962. The latest count in 1975 is 29,550 although the county census credits us with about 3,000 less.

During her tenure here Dorothy set up many of the systems still being used at City Hall, including the triplicate receipt system, purchase order system and setting up the city's books.

Long active in the Campbell Business and Professional Women's association, Dorothy served as president from 1969-71. In 1968 she was named the BPW Woman of the Year and in 1972 received their Woman of Achievement Award.

OVER THE YEARS she has worked with all of the elected officials. "We've been very fortunate in the caliber of councilmen we've had," she commented, "we've had attorneys, farmers, even a former policeman."

She's also come to a conclusion on successful campaigns.

"It's the candidate who makes the personal contact who gets the vote," she declared.

FETED AT A retirement dinner attended by more than 120 two weeks ago, City Clerk Dorothy Trevethan retires August 1 after more than 25 years with the city. The widow, with one grown son, enjoys traveling, mystery novels, knitting and getting together with friends. Over the years she's made many. "I wouldn't do anything different," she said of her career recently. "It's really been interesting. Every day is different."

GETTING READY for the two-day flea market at the Campbell Progressive Senior Center, 41 W. Rincon ave. are, from left, Goldie Faragaugh, manager of the Consumers Exchange and Georgie Shepherd. Sale hours are 9 a.m. to 4 p.m. Friday and Saturday, July 29 and 30. Donations are still being accepted at the center for this yearly fund-raiser. (Photography by Amy Huntoon)

Campbell Progressive

Senior center is nine years old and still going strong

BEHIND THE quiet facade of the little white, wood-frame building at 41 W. Rincon ave., there's a beehive of activity.

That converted residence, with tomato plants gracing the front yard, houses the Campbell Progressive Senior Center which provides everything from food and rides for low income seniors to help in sorting out the new state rent subsidy forms.

For the past nine years (the center celebrated its birthday this month), the center has offered a place for seniors to go for help, classes and activities and even a gift shop which sells hand-made items on consignment and turns over 80 per cent of the sale price to the seniors.

THIS FRIDAY and Saturday, July 29 and 30, the annual flea market will be held in the parking lot of the center from 9 a.m. to 4 p.m. both days. Donations are now being accepted for that fund-raiser.

Main funding for the center, and the five full-time and two half-time employees, comes from Economic and Social Opportunities, Inc. (ESO), United Way and the city of Campbell who is paying the salary of one outreach worker and one part-time driver this year. December 1, ESO's funding will be dropped for the center, Director Irma Reese related, and total funding will be done by United Way and the city.

The list of services available to low-income seniors would fill a small book but included are legal aid, housing, escort services, tax advice, emergency funds and food. Each month about 200 seniors receive groceries provided by donations to the center and by the county Food Bank.

Donations play a big part in the services the center is able to provide and gifts from local fraternal groups, businesses and youth groups over the years have included refrigerators, the mini-bus, stoves and furniture and construction of the new north wing which houses the many senior classes and activities.

WEEKLY CLASSES and events at the center include a Sunday afternoon get-together, sewing class with a pot-luck on Monday, "Keeping up with Human Affairs" Tuesdays and a bingo game on Thursday. The last two days of the week are also the regular shopping days with the mini-bus providing doorstep service for local seniors.

Those elderly served by the Center include an area about twice the size of the city of Campbell: from Payne ave. to a point past Pollard road and Winchester.

While services are the prime job of the center, is isn't all work. The weekly bingo games and get-togethers are part of the fun activities as well as a monthly trip paid for by the center (seniors provide their own lunch).

Last month the group took a trip to San Francisco and a cruise on the Bay plus a look at Chinatown. This month they'll be off for a day at Santa Cruz.

A NEW PROJECT at the center this year is hosting a group of emotionally disabled adults from Bohnett School twice a week. The group of 16 comes to the Campbell center for lunch and for entertainment such as singing, games and singing around the piano.

And there's always time for the personal touch too at the agency which counts its "services provided" in three figures. Like the man who had a serious operation and had to be taken to O'Connor Hospital every day for five weeks. The seniors at the Sunday meeting got together and made sure he got there.

Or the man who first dropped by the center six months ago and didn't talk. "All he would do is grunt," Irma related. Last week that man, now a regular center visitor, came through the door with a cheery, "Howdy. Anybody home?"

So if you're a low-income senior (receiving SSI benefits), drop by 41 W. Rincon ave. for advice on taxes, a place to sell those hand-made aprons or . . . just a friendly chat.

She has no green thumb

A police officer recently noticed what he thought to be marijuana growing in a rear apartment window.

When he inquired to the resident what the plants were, the woman admitted they were marijuana but defended her cultivation to the officer.

"They're the only plants that will grow for me," she said. "And they're so pretty to look at."

The plants were confiscated, pretty or not.

Study session

Fire station sites eyed

NO ONE disputes the fact that Campbell needs to relocate its downtown fire station. The only question is where.

Last week in a study session, city councilmen directed Fire Chief Gene Borden to explore several new possible locations for that move including part of the Hamilton School property, a parcel on Salmer ave., Santa Clara Valley Water District property behind Campbell Park and the old dump site behind the Pruneyard.

Earlier, discussions centered around the use of part of Campbell Park, the Dot ave. property purchased out of 1967 bond funds nor a fire station and a possible Union ave. location.

First choice of Borden's is the Campbell Park site and the Chief would like to get a building designed to fit into the park setting, using only a small section of that land.

THAT FIRE station move is still about three years away and, in the meantime, Building Official Wally Byron will be reporting on repair costs to keep the present station in operation until a new station can be built.

Last week the Council also discussed the possibility of using a metal, rather than standard concrete building, to house a new station. According to Byron, the cost savings could be 40 per cent or more.

Funding for the new station was also discussed and included a possible bond issue, federal revenue sharing funds and proceeds from the sale of the Dot ave. property.

If the city decides to go for a bond issue a decision will have to be made in the next few months so it can be put on the March 1978 ballot.

people in the news

MARINE PRIVATE JAMES E. HART

CAMPBELL FAMILY HOSTS VISITOR

Mr. and Mrs. Kenneth Pearsall, 945 Norin Ct., are one of 2,000 families chosen to host a foreign visitor through the American Host Foundation.

The Pearsall's visitor, a Swiss teacher, is Mr. Daniel Guinnard. He will be arriving July 23 and staying with the Pearsalls through August 1.

MARINE RECRUIT FINISHES CYCLE

Marine Private James E. Hart, son of Mr. and Mrs. Earl E. Hart Jr. of 1138 Nadine Drive, has completed recruit training at the Marine Corps Recruit Depot, San Diego.

He joined the Marine Corps in March, 1977.

IN COMPETITION

Four Campbell residents are among the Santa Clara Vanguard Drum and Bugle Corps competing in the Pacific Procession field competition at Spartan Stadium on Monday, August 8.

Eric Saver, Ken Wilkins, Jim O'Donnell and Linda O'Donnell are part of the 128 member troupe.

PARKER'S IN YUMA

Marine First Lieutenant Alan R. Parker, son of Mr. and Mrs. Reese Parker. 946 Norin ct., has reported for duty at the Marine Corps Air Station in Yuma, Arizona. The San Jose state university graduate joined the Corps in June of 1975.

HAMES GRADUATES

Sandy Lynn Hames of Campbell will receive her bachelor of science degree at the July 29 commencement ceremonies at Oklahoma Christian College in Oklahoma City.

The local woman is an elementary education major.

BUILDING AWARD WINNER

The El Paseo De Saratoga, at Campbell and Saratoga Avenues, recently received an award at the San Jose Development Briefing.

San Jose Chamber of Commerce and the City of San Jose hosted more than 200 industrial and commercial development practitioners at the Briefing and presented nine awards for outstanding San Jose developments.

El Paseo De Saratoga won the award for the Commercial category under the heading of Multi-building.

The top award was the 1977 Developer of the Year Award which went to the Wolff-Sessnon Development Co. for the Park Center Financial Plaza.

Your Back and Your Health

Presented as a Public Service by Dr. Thomas Faulkner Dr. Ruth Edwards Chiropractors

Back injury study made in California

One of the most revealing studies of industrial back injuries was completed in December, 1972, of records of the California Division of Labor Statistics and Research. One of the reasons the study was initiated was because back injuries had risen as a proportion of total lost-time work injuries.

Essentially, the study compared cases treated by medical doctors versus those treated by chiropractors. To make the test both timely and fair, starting at a given date the first 500 back injury reports signed by M.D.'s and the first 500 signed by chiropractors were used for evaluation.

Here are the results. Average number of work days lost: M.D.'s, 32; chiropractors, 15.6. Those reporting complete recovery: M.D.'s, 34.8%; chiropractors, 51%. Employees reporting no work days lost: M.D.'s, 21%; chiropractors, 47.9%. Employees reporting loss of over 60 days: M.D.'s, 13.2%; chiropractors, 6.7%.

In nearly every area of comparison, chiropractic was twice as effective in the treatment of industrial back injuries. Now the facts, as revealed in this impartial study, clearly show what so many have known for years.

Chiropractic works.

Schroeder to retire after 31 ½ years

Campbell's seniors will be losing a valued friend this week, whether they realize it or not, when Hal Schroeder retires after 31½ years of federal service.

Schroeder, Branch manager of the Campbell Social Security Office, was with the army counter-intelligence for two years and the remainder of his federal service has been spent with the Social Security Administration.

Schroeder's retirement plans sound as though he will be busier than he was at the SSA. He hopes to return to Europe for a visit to England and Germany, intends to help his wife in her antique shop in Saratoga, and if that's not enough, he hopes to have time left to pursue a full-time real estate career.

As the first manager for the new Campbell office opened in 1974, Schroder has some interesting tales to tell.

Like the one about the disabled man who was collecting benefits from both social security and veteran's administration. When the SSA found out he had been defrauding them, they asked that he repay the money. His checks were of course stopped. He came in to demand his checks be started again and became so enraged that he hurled a heavy lobby chair at Schroeder, badly bruising Hal's leg.

Fortunately the police were on the scene quickly and subdued the irate veteran with little trouble.

The majority of Schroeder's duty at SSA has been quite pleasant and he has been able to help many people, the smiling man related.

"I remember one time I had to spend over two years off and on, to help a woman get her husband's hospital bill reimbursed," he said.

Replacing Schroeder will be James R. Rankin, formerly the administrative assistant in the San Jose District Office.

Man does not live by steak & lobster alone.

SOUR DOUGH
BREAD

Since we served our first Steak & Lobster dinner more than a decade ago, we've learned two very important things.

First, Charley Brown's consistently serves the finest Steak & Lobster dinner in California.

And second, we've learned that when your mind is set on culinary delights such as the finest USDA Prime Steaks, robust Prime Ribs of Beef, delicate Filet of Sole Amandine, tender Sauteed Scallops, Broiled Salmon accented with dill or Crab Meat Charley, no Steak & Lobster dinner (even ours) will suffice.

So now Charley Brown's gives you a choice.

Superb Steak & Lobster. Or a tantilizing selection of tempting entrees starting at the very palatable price of $5.25. Every Charley Brown's dinner includes your choice of freshly prepared soup or chilled salad, and piping hot sourdough bread. Also, a hearty baked potato with all the trimmings or our delicious rice pilaf.

To complement your meal, we also offer a selection of premium wines by the bottle, glass or carafe. And you'll find that all our high-balls contain 1½ ounces of your favorite libation and our Martinis, Manhattans and Rob Roys contain 2½ ounces—truly a Robust cocktail.

But please remember, though our menu is brand new, there is one Charley Brown's tradition we will never change: Our Service. Our people never forget that the enjoyment of dining out depends on four things: exceptional service, congenial atmosphere, the finest quality food and prices that are an excellent value.

We pride ourselves on how well we deliver all four.

So bring your favorite person and your appetite—whether you crave Steak & Lobster or other enticing entrees—to Charley Brown's tonight.

They'll love you for it.

Charley Brown's

Ozone study

The San Francisco Bay Area has been chosen for a one-year study of ozone depletion effects on skin cancer rates by the U.S. Environmental Protection Agency and the National Cancer Institute.

National researchers are looking for reports of non-melantic skin cancer, a malignancy usually treated successfully but is not recorded as a cancer.

"Although this type of cancer is generally innocuous," said Don Austin, of the State Health Department, "if it's left untreated there will be some disfiguration and the individual may require minor or major surgery. Without treatment it can be fatal."

Health officials want to record any correlations between skin cancer rates and the depletion of the earth's ozone layer.

Art grants

Grant awards totaling $1.5 million will be announced at the next meeting of the California Arts Council, a state agency funded by the State Legislature.

The council will meet July 29 at Fort Mason in San Francisco beginning at 9:30 a.m. in Building 312.

The 250 grants will be awarded to artists and arts organizations at the morning session and a discussion of the council's 1978-79 program will be discussed in the afternoon.

Drought loan

The first loan of the emergency Drought Act of 1977 has been approved for the Chowchilla Water District.

According to State Treasurer Jesse Unruh, the first loan under the new act will total $4 million and will be used to construct emergency facilities.

Curbing bars

The Department of Alcoholic Beverage Control (ABC) is starting a pilot project that could lead to disciplinary action against bars that repeatedly allow patrons to get drunk.

As an effort to curb the number of drunk drivers, the ABC will use drunk driving arrest reports to identify the bars and restaurants that serve patrons to the point of intoxication. Repeat offenders will face possible fines, suspension or loss of licenses, according to the ABC.

New regent

Best selling author Theodora Quinn has been appointed to the University of California Board of Regents replacing William Forbes who resigned in January.

Quinn is best known for **Ishi in Two Worlds, the Last Wild Indian of North America** and **The Inland Whale.**

Drought hearing

The State Treasurer's office has scheduled a hearing on the effects of the drought on the bonded indebtedness of special districts.

"The drought could have a severe impact on the bonded indebtedness in many districts," State Treasurer Jesse Unruh said.

The hearing is set for 9:30 a.m. Aug. 12 at the State Building in Fresno. Individuals who wish to testify should notify the State Treasurer's Office, P.O. Box 1919, Sacramento 95809.

BULLETIN BOARD

LAMPS, 2 colonial vanity. White, hand decorated glass, 12" high. Would look pretty in girl's room, $5 each. 961-2591.

FOR JULY30 THROUGH AUG. 5

ARIES (March 21-April 19): Advice for the week: Play with friends but do business with strangers. Message clears. Enticing deal of questionable nature may be made. Be wary, Ari. Emotional/financial fruit is ripe. Pluck it.

TAURUS (April 20-May 20): Give priority to that which touches the most private corner of your life, Taurus. Many sacrifices have been made in the name of freedom. This week it's your turn. Be a brave bull. Colorful week charges to a noisy finale.

GEMINI (May 21-June 20): Toe-to-toe, nose-to-nose confrontation due. Cash is involved. Self-interest (what else?) may turn minor drama into old-time brouhaha. Advice: Talk softly but carry a big shtick. You will understand.

CANCER (June 21-July 22): Old truth sashays into view wearing a new face. The dawn of understanding arrives. Finally. Week of personal reflection ends, Moonbaby, on key of D for druthers. (You get yours.)

LEO (July 23-Aug. 22): You long for more freedom, Leo, but chains that bind are of your own making. So, what else is new? Begin to think of freedom as a way rather than just a goal. Message clears. Week snuggles to a torrid close. Well, it is August, you know.

VIRGO (Aug. 23-Sept. 22): It's out of the chorus line and into the spotlight, Virgo. Are you prepared? If not, you'd jolly-well better start getting prepared. Study your lines. Know your cues. Possible replacement warms in wings. Waiting. Hoping. Don't bollix it.

LIBRA (Sept. 23-Oct. 22): If you have any grand plans for seeking new, greener pastures this week, Libra, you should know that you are being observed by one at a distance. This polecat has 20-20 vision and a mouth like the Grand Canyon. What more can I say without having this message sound like a bloody warning?

SCORPIO (Oct. 23-Nov. 21): Unusual bird (with fancy feathers) may try to invade your territory. Don't for one minute be intimidated, Scorp. Squawk loudly. And often. And don't go flying off into the blue leaving your nest unguarded either. Week ends with a flap.

SAGITTARIUS (Nov. 22-Dec. 22): Secret fear is not real, Saj, it is just another one of your internal recordings. Don't just turn down the volume, pet, click it off! New cycle shaping up. Get ready. When you throw old habit out the window, new purpose marches in the door. Honestly. You'll see.

CAPRICORN (Dec. 22-Jan. 19): Good week to put your mind in "park." Find a shady nook (near a babbling brook?) keep a cool drink handy and just snooze your worries away. If snoozing doesn't come easily, Cap, then read a trashy novel. Or just daydream. Tell those who nag to go sit on their Sunday hats.

AQUARIUS (Jan. 20-Feb. 18): Excess emotional baggage you've been dragging around must be dumped. NOW. Once you accomplish this, Aquari, you discover hidden energy source. On last day you bask in warmth of sincere compliment as well as the August sun.

PISCES (Feb. 19-March 20): Closed door can be opened. But you must turn the knob first. Along with the fresh summer breezes come the inevitable mosquitoes. No matter. On last day, Pisces, curl up with a good book (or friend) and put subordinate in charge of swatting.

Emergency siren test set Friday

OVER 200 disaster warning sirens will sound off in Santa Clara and San Mateo Counties at 11 a.m. on Friday, July 29, in a test of the warning systems for the two counties.

Santa Clara County's Office of Emergency Services will test 130 sirens and the San Mateo County disaster crews will check 90 of the devices.

During the test situation, the sirens will emit a steady one minute blast followed by one minute of silence and conclude with a one minute wavering signal.

The tests, in conjunction with San Mateo County, are conducted to insure the operation of the warning vices in the event of a major disaster, even though the equipment is constantly maintained and inspected, according to Richard Mitchell, assistant coordinator of Emergency Services.

During an actual emergency, sirens would sound for three to five minutes. A steady blast would denote a peacetime emergency while a wavering or short intermittent sirens would warn of an immediate attack.

POOL OWNERS
YOU CAN SAVE UP TO 1000 GALLONS OF WATER EVERY WEEK!

Swimming pools can lose anywhere from one to three inches of surface water or more per week if left uncovered.
In a pool 20X40 feet (800 sq. ft.) for every inch of water lost you lose 500 gallons of water.
Air Bubble packaging material when used as a pool cover will drastically reduce the water loss.
The Bubbles' also act as a solar resevoir raising the temperature of your pool 10° to 15°.
Bubble Sheeting was designed originally as a industrial packaging material made of polyethylene, nylon and is priced as such.

SAVE 50% to 100% of heating costs
SAVE up to 50% of chemical costs
SAVES approximately 50% of electrical costs
SAVE cleaning time & expense
PREVENTS leaves & debris from entering the pool
STAYS ON in strong winds without stays, weights, ties

Carbohydrate needed for energy, good diet

By DOROTHY TERRILL

EDITOR'S NOTE: Dorothy Terrill, a registered dietitian and instructor at De Anza College, holds a M.S. in Nutrition from UC, Berkeley. Questions about nutrition are invited. Address all questions to: Dorothy Terrill, Nutrition Notes, Suburban Newspaper Publications, Inc., P.O. Box 368, Cupertino, 95014. Mrs. Terrill will answer questions as space allows.

A frequent complaint of parents and teachers alike is that the school lunch menus contain too much carbohydrate. The slice of bread frequently served with the meal is criticized as adding "too much starch." What they do not realize is that the National School Lunch Program sets the amounts of various foods that must be served in order for the school district to qualify for reimbursement. One may think that a piece of bread on the plate in addition to the rest of the lunch is unnecessary but they should remember that it is there in order to meet the necessary requirements.

The amounts of foods set up to be served in the school lunch are to be 1/3 of the daily requirements of elementary school age children. This translates into 2 oz of cooked lean meat, fish, poultry or other substitute, 3/4 cup fruit and/or vegetable, 1 serving of whole grain or enriched bread, 1 tsp. butter or fortified margarine, and 1/2 pt. milk. For the preschool child the serving sizes are reduced — 1 1/2 oz. meat, 1/2 cup fruit or vegetable, 1 serving bread, 3/4 tsp. butter or margarine, and 3/4 cup milk. The amounts, of course, are increased for the high school student.

Often when people see the school lunches, they feel that they are very heavy on starches. Yet, the lunch is planned to meet the guidelines which will provide the nutrients needed by active young bodies. By meeting the guidelines, the district can qualify for reimbursement of their lunch program.

Is this too much carbohydrate for an active child? Carbohydrate is an excellent source of energy. People often think of carbohydrate foods as "fattening" yet carbohydrate and protein contain the same amount of calories — 4 per gram — while fats contain 9 calories per gram. It stands to reason then that if calories are too high , the foods high in fat should be reduced and not those high in carbohydrates. Potatoes and bread are not calorie-laden but the butter and sour cream often used liberally on these foods are.

It is also interesting to think about what foods people think of as being high carbohydrate. It is often breads, potatoes, rolls, muffins and other baked goods. However, they usually do not think about things like candies, ice cream, chips, pop corn, pretzels, pastries and cakes. Following are some examples of the carbohydrate content of some of these foods: bread — 50 to 60 per cent, cake without icing — 52 per cent, gum drops — 87 per cent, marshmallows — 80 per cent, jelly beans — 93 per cent, popcorn — 76 per cent, pretzels — 76 per cent, potato chips — 50 per cent (also, 40 per cent fat), apple pie — 38 per cent, ice cream — 21 per cent, and sugared cereals — 90 per cent. It is obvious that some of the foods that are thought of as being "starchy" actually contain less carbohydrate than do other foods, usually those of the "junk" variety which are high in both carbohydrate and fat. Raw potatoes, incidentally, are only 17 per cent carbohydrate — lower than most of the other foods mentioned above.

From the above values, it becomes apparent that more carbohydrate can be consumed from candy, ice cream, chips, pretzels, and sugared cereals than from bread, potatoes and other foods commonly thought of as being high in carbohydrate. The same parent who complains of too much starch in the school lunch may be giving their child pre-sweetened cereals at 90 per cent carbohydrate.

Authorities generally agree that humans should take in about 100 grams (400 calories) of carbohydrate daily. This amount is needed by the brain for normal functioning.

Brown-outs related to drought unlikely

By Capitol News Service

BARRING "extraordinary events," electric utility companies in the state have the capability of meeting customer demands without brown-outs this year, according to a report just completed by researchers at the Lawrence Berkeley Laboratory.

The study of the drought's impact on California's hydroelectric power system was undertaken by the laboratory's energy researchers in collaboration with the Federal Energy Administration and the Energy Research and Development Administration.

Despite the optimistic conclusion, there were some grim side effects predicted.

To meet demands, an estimated 29 million additional barrels of oil will be needed to produce the power normally produced hydroelectrically. That oil will cost an estimated $375 million, which must eventually be paid by the consumer.

The plan to divert energy from Southern California power plants and the necessity of using more oil will increase air pollution in the Los Angeles air basin, according to the investigators.

Although the impact of the drought on electricity supply appears to be manageable at this point, the report noted, a third consecutive drought year could "create potentially serious consequences which need to be examined with care."

Jobs for vets going begging

MANY JOBS for veterans are going begging at state employment offices according to Paul Baker, local office manager, of the state Employment Development Department.

The jobs are under the Comprehensive Employment and Training Act (CETA) where a goal of 35 per cent for all hiring has been established for veterans by the Department of Labor. The jobs run the gamut from unskilled to professional and are with state, county and city governments throughout the county plus many with private nonprofit agencies. EDD offices may refer only veterans for the first 48 hours a job is listed with them. Priority is given to disabled veterans.

To be eligible for employment a veteran must be employed 15 of the 20 weeks preceding application; or have drawn unemployment insurance for 15 weeks; or be a member of a family drawing welfare under AFDC; or not have had any permanent employment since discharge from the service.

Veterans may make application at EDD offices at 449 Sherman ave., Palo Alto; 297 W. Hedding st., San Jose; 1700 Alum Rock ave., San Jose; 3844 Monterey road, San Jose; Morgan Hill and Gilroy.

• *garden guide*

WHAT IS more enjoyable than cutting an armload of beautiful flowers from your garden or relaxing on the patio surrounded by color? As long as your garden includes some of these dependable summer favorites, you'll be able to have generous bouquets and look out on splashes of orange, yellows, pinks, reds, blues, and whites and more. Besides, who could go through a summer without these charmers?

Few plants can rival zinnias for vibrant colors in so many flower shapes and sizes, plant heights and all round easy care and loyal performance. Actually though, dahlias and marigolds come close! They are also very beautifully colored and the flowers look especially nice against the glossy green leaves. They, too, are available in big and little sizes and shapes. There are good varieties for cut flowers, massing effects and bedding or edging plants.

ANOTHER summer favorite might be cosmos, those wonderful cut flowers in oranges, yellows, white, pinks, and lavender with lacy delicate foliage. And no one could possibly overlook those marvelous petunias either. A mass of double lacy petaled scarlet flowers is truly spectacular and other colors and combinations are just as beautiful. Also remember the old-fashioned black-eyed Susan now known as the Gloriosa daisy, they are always bright and cheery even in the hottest sun.

One more popular and worthwhile summer annual is the portulaca. This lovely low growing, drought tolerant plant with small succulent, iceplantlike leaves loves the sun. Its many beautiful flowers only open in the sunshine and are so brilliant they could brighten any corner.

GROWING THESE lovely plants is simple too. They will all appreciate a rich, well-drained loam, adequate water and a complete fertilizer application once or twice while they are young and growing fast. Pinching the tips of young plants will help prevent legginess and prevent plants from setting seed which diverts the plants strength away from developing more flowers. Other than these few pointers, growing summer annuals like these is an easy and rewarding task.

Color head high

A HANGING basket filled with cascading green plants covered with bright flowers can truly be one of the most eye-catching displays in your garden. There are so many beautiful, easily grown plants with trailing habits for sun or shade that there is almost no excuse for being without a basket or two of them.

For a sunny spot, plant a basket of trailing Lantana. Its lavender flower heads soon cover the plant and last all summer. Lobelia, sweet alyssum, petunias and portulaca all offer another aspect of their beauty when grown in hanging baskets. Additional charmers are colorful, dependable ivy geraniums, trailing African daisy, fuchsias and begonias. For areas sheltered from frosts, or in frost free areas, one of the most spectacular basket displays is bougainvillea. This tropical plant has brilliant pink or red flowers that will cover the entire plant with solid color. Bougainvillea is tender to cold temperatures, so give it protection in winter.

FOR A DIFFERENT twist, experiment with chrysanthemums in trailing baskets. There are certain varieties easy to train into a beautiful and bountiful flower show each fall. Don't forget about using cocktail and cherry tomatoes for color and fresh fruit. They do very well in baskets and are quite attractive.

Merit Outdates Conventional Low Tar Cigarettes.

'Enriched Flavor'™ technology matches taste of cigarettes having 60% more tar.

There is a way to pack flavor—incredible flavor—into a cigarette without boosting tar.

That's the report on MERIT and the remarkable breakthrough called 'Enriched Flavor' tobacco.

Tobacco that for the first time delivers flavor you wouldn't expect in a low tar cigarette.

MERIT and MERIT 100's were packed with this special tobacco. And taste-tested among thousands of smokers like yourself.

If you smoke, you'll be interested.

Taste-Test Proof

MERIT and MERIT 100's were tested against a number of higher tar brands. The results proved conclusively that 'Enriched Flavor' tobacco does boost taste without the usual increase in tar.

Overall, smokers reported they liked the taste of both MERIT and MERIT 100's as much as the taste of the higher tar cigarettes tested.

Cigarettes having up to 60% more tar than MERIT.

Only one cigarette has 'Enriched Flavor' tobacco. And you can taste it.

Del Mar claims tourney crown

By DAN "YOGI" TAYLOR

THE DEL Mar Giants had a very enjoyable Fourth of July. They didn't have any noisemakers, but they sure made a loud bang, claiming first place in PAL's tournament.

DM won four straight games to claim the holiday title.

Their first victim was Mt. Pleasant. Mark Intrieri continued his excellence on the mound, nabbing the win. Mike Westberg (Leigh) doubled home the first two runs of the game in the initial stanza. Mt. Pleasant bounced back and deadlocked the game at 2-2.

In the sixth, Intrieri helped himself, crunching a 355 foot homer to left field to make the final score 3-2.

On a blistering Sunday afternoon, DM erased Independence's title hopes, blanking them 7-0. Kirk Perry (Camden) pitched two-hit ball to emerge victorious. John Russo (Leigh) and Westberg led the bat attack with two hits each.

The victory was literally short lived, as the Giants had to play again with only a 45-minute break between games!

In marched a fresh San Jose high squad, bubbling with confidence. Two hours later they marched out, exhausted and defeated!

Going into the seventh it was all tied up at 3-3. With two in the well, Tom Bell crunched a double which caromed high off the left field wall. Jim Dorr then hit a frozen rope to right, which couldn't be lassoed by the SJ outfielder. This scored Bell (who was also the winning pitcher) and wrapped up the game 4-3.

The scene was now set for the championship game against a previously undefeated Yerba Buena nine. DM won 4-2, behind the flawless pitching of Intrieri. The DM chucker gave up no earned runs in the outing. Sherman Hickey claimed the defensive play of the day. On a single to center, the Leigh outfielder came up and threw a strike to Westberg, nullifying an almost certain YB run.

"It takes plays like that to win ball games," noted coach Dorr.

Intrieri was four for 10 in the tourney (.400). Dorr was five for 14 (.357). Russo and Bell both chipped in with lofty .333 marks.

Ric Slayton (Camden) was praised for playing fine defense throughout the tournament.

District 4 tourneys

C-M Pony, Colt star teams open with wins

LAST WEEK was anything but dull for the Campbell-Moreland Pony and Colt all-star teams, as both got off to hair-raising but successful play-off starts.

The Colts stormed from behind to edge Santa Teresa 4-3 and two days later subdued San Francisco 6-4 in the District 4 tournament at Santa Clara's Washington Park.

Their Pony counterparts squeaked past Pacifica 7-6 in their District 4 opener at John D. Morgan Park last Wednesday.

In the Colt victory over Santa Teresa, CM trailed 3-1 entering the bottom of the seventh despite the masterful hurling of Tim Mooney. A crucial error by the locals' second baseman helped ST break a 1-1 deadlock with two runs in the sixth.

But a pair of walks coupled with two Santa Teresa miscues enabled Campbell Moreland to knot the count in the seventh. Chris Johnson then unknotted it with a booming double that plated Tim Fleury with the deciding tally.

Two nights later, CM wiped out a 4-0 deficit with one run in the fourth and five in the fifth against San Francisco. John Bertoni's two-run single tied the contest and errors by the northerners pushed Campbell-Moreland to its winning margin.

Joe Jones spotted San Francisco four second-inning scores primarily because of leaky defense, but settled down to tame his adversaries the rest of the way.

IN THE PONY lidlifter, Art Gonzales' fifth-inning single drove in Rick Valdez with the tiebreaking marker in a loosely played encounter against Pacifica.

The invaders marched to a 2-0 edge after an inning and a half. But CM's Wade Allison made it 2-1 in the second when he walked, stole second and scoring on throwing errors by the catcher and centerfielder.

The Campbell-Moreland bats produced four of their five hits in the third, amassing five runs for a 6-2 lead. Allison and Dave Roberson contributed RBI singles (Allison's on a daring, two-strike suicide squeeze bunt that he beat out) and the winners swiped six bases during the frame, including home twice.

But Pacifica came right back for four runs in the fourth for a 6-6 stalemate before Rich Alvarez silenced the outburst.

Alvarez, the ace moundsman for Campbell Little League's United States champions last season, stifled Pacifica the rest of the way, allowing just one hit and fanning eight in his four innings of work. Gonzales made him a winner with his fifth-frame RBI.

Gonzales was the only Campbell-Moreland batsman to notch two hits. Pacifica outhit the hosts 10-5 but Campbell's running game netted nine stolen bases and helped cause four Pacifica errors.

District play-offs for both CM teams continued through Sunday. The Pony sectional gets underway Wednesday at Santa Clara's Vierra Field with the District 4 champ meeting the District 5 kingpin at 5:30 p.m.

CAMPBELL STARS — The 1977 Campbell Little League All-Star squad includes (front row, left to right) Wally Jasso, Dennis Arntt, Todd Chandler, Danny Barry; (middle row, left to right) Jerry Zaro, Dave Bryant, Tim Bottomly, Randy Nishijima, Chris Gettle; (back row, left to right) coach Lou Romero, Craig Trinidad, Thomas Silvas, Tom Gricius, Cameron Comick, Andy Nagengast and manager Dan Trinidad.

C-M Tigers host Pony tournament

THE CAMPBELL-Moreland Pony League will host the annual invitational Tournament of Champions August 6-10 at John D. Morgan Park.

This double elimination baseball tournament will include league champions from six area Pony leagues.

Besides the hosts, the Straw Hat Pizza Tigers, other teams will represent the Santa Clara Mission and City leagues, Santa Teresa American and National Leagues and the Santa Cruz Pony league.

Weekday games will begin at 5:30 p.m.

For more information, call Bud Stallings at 378-2007.

Campbell all-stars off to good start in District 44 tournament

By MICHAEL BARNHART

IT'S A LITTLE too early to say how far the 1977 Campbell Little League all-stars will go, but they got off to an excellent start last week.

Led by the pitching of Thomas Silvas and Tom Gricius, Campbell posted wins over Sunnyvale Southern 6-0 and Moreland 6-1 in District 44 tournament action.

Silvas stymied Sunnyvale Southern on a one-hitter, striking out 10 and walking two. He had a no-hitter through five innings, but the second batter in the sixth stroked a sharp single to center.

Silvas gave himself all the offense he needed, smashing the second pitch of the game over the leftfield barrier.

Campbell scored twice in the third on Gricius' two-run single, once in the fourth and twice more in the fifth.

JERRY ZARO opened the fourth with a triple down the leftfield line and scored on Wally Jasso's ground out.

Gricius started the fifth-inning rally with his third single of the day. David Bryant singled Gricius to third and Tim Bottomley drove in Gricius with a fielder's choice.

Jasso knocked across the final run with a sacrifice fly.

Gricius allowed just two hits to Moreland Little League. The 5'9" right-hander whiffed 11, walked three and hit a batter.

Campbell managed just four hits but Moreland contributed six errors, three in Campbell's five-run third inning.

Randy Nishijima, Gricius and Bottomley all had base hits in the inning.

Nishijima scored Campbell's first run in the opening frame after he singled and a Moreland player booted the ball.

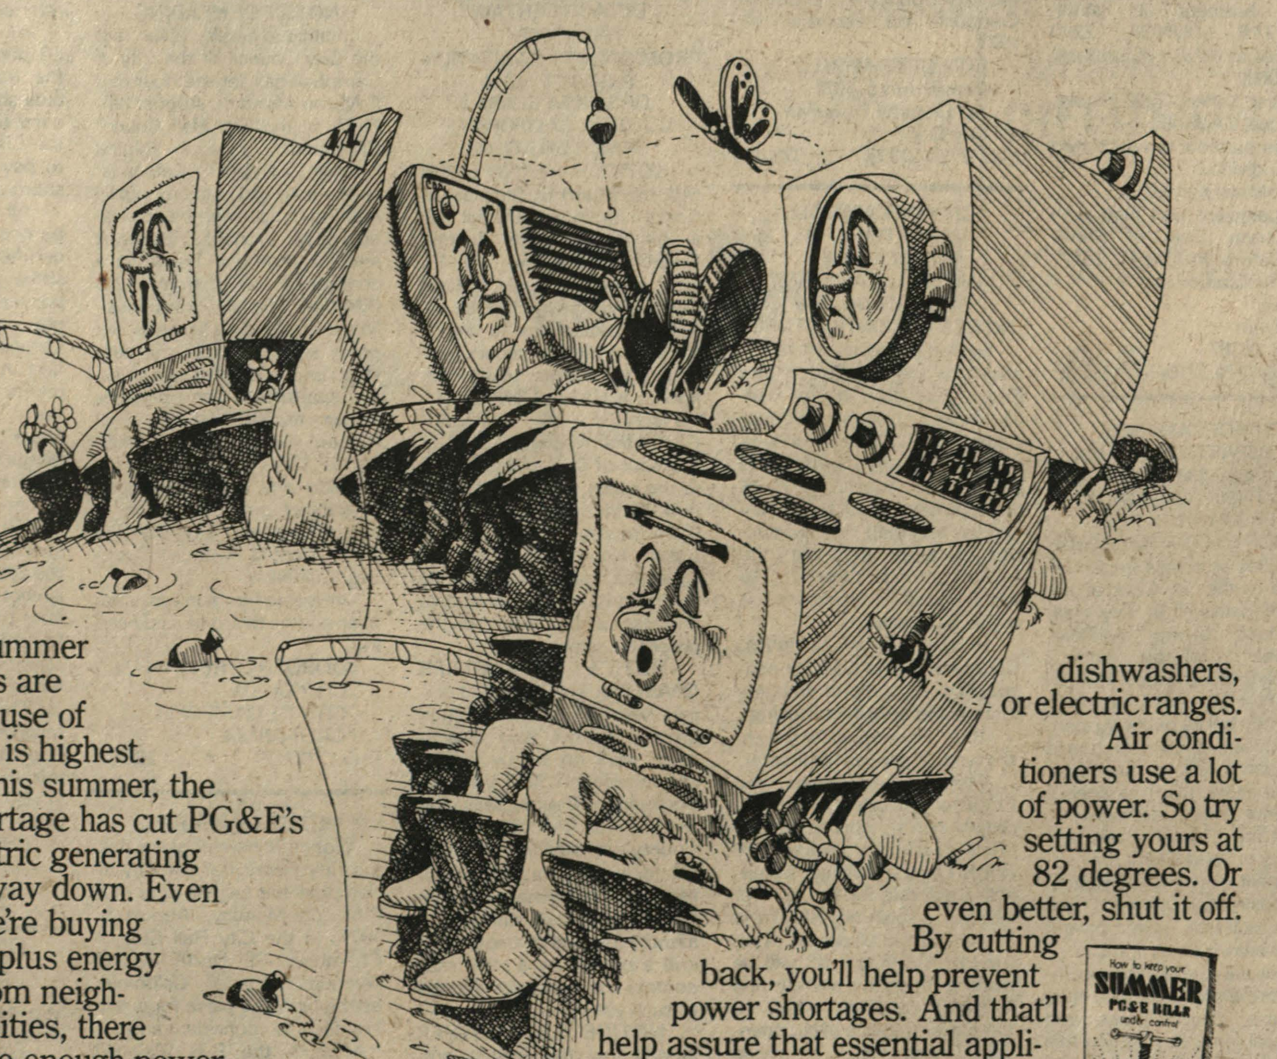
NOTICE OF PUBLIC HEARING
PROPOSED USE HEARING
FOR FEDERAL
REVENUE SHARING FUNDS

NOTICE IS HEREBY GIVEN that the City Council of the City of Campbell will hold a public hearing on Monday, August 8, 1977, at the hour of 8:00 P.M. in the City Hall Council Chambers, 75 North Central Avenue, Campbell, California, for a public hearing on the proposed use of Revenue Sharing Funds. The public hearing will provide citizens an opportunity to present written and oral comments for the possible use of these funds.

INTERESTED PERSONS may appear and be heard or written communications may be sent to the City Council prior to the hearing.

DOROTHY TREVETHAN,
CITY CLERK
CITY OF CAMPBELL,
CALIFORNIA

Pub.:7/27/77 287-CP



TO SAVE ENERGY:

GIVE YOUR APPLIANCES HOT AFTERNOONS OFF THIS SUMMER.

Hot summer afternoons are when the use of electricity is highest.

And this summer, the water shortage has cut PG&E's hydroelectric generating capacity way down. Even though we're buying all the surplus energy we can from neighboring utilities, there may not be enough power to go around.

So, on hot summer afternoons, cut down on your use of electricity as much as possible. Don't use major appliances such as washers, dryers, dishwashers, or electric ranges. Air conditioners use a lot of power. So try setting yours at 82 degrees. Or even better, shut it off. By cutting back, you'll help prevent power shortages. And that'll help assure that essential appliances like refrigerators and freezers keep running.

GET THIS FREE NEW BOOKLET AT YOUR LOCAL PG&E OFFICE.

Knight, Sackett share spotlight

Campbell-Moreland nabs tourney third

By HOWARD WILLMAN

THERE WEREN'T too many people that expected Campbell-Moreland to be a serious threat in last week's Area Thoroughbred Tournament for the Santa Clara Valley Thoroughbred league, contested at Washington Park in Santa Clara.

With the worst record in the circuit (4-20), Campbell-Moreland was the team farthest from being a favorite in the first of six levels of tournaments.

But after the six-team tourney ceased, Campbell-Moreland stunned a few people with a respectable third place finish — higher than most people anticipated them finishing. E. Berkovich from Hayward nabbed the title, defeating Palo Alto 7-3 in the final.

Manager Ray Knight credited the team's sudden success to tournament stars Jim Knight and Neil Sackett. Sackett won one game and saved the other of Campbell-Moreland's two wins. Knight, brother of the manager, was the offensive star, batting a scorching .571 during the four outings.

In the opening game of the tournament, Campbell-Moreland blasted Sal Ribera's Kings 14-3. With the Kings leading 2-1 in the top of the fourth, Campbell-Morland broke open the game in their half of the fourth stanza.

First baseman Jim Guardino, a De Anza college sophomore and Campbell high school graduate, ripped a bases loaded double that ignited an offensive explosion of 14 runs in the next three innings — they tallied counts of four, three and six runs in the fourth, fifth, and sixth frames, respectively.

Sackett was the winning pitcher, hurling a four-hitter. Anchoring the powerful Campbell-Moreland offense were Steve Esau, Guardino, Knight, Kent Ohmann and Scott Tiernan. Esau went two for three, Guardino blasted a two run double, Knight was four for five and scored three times, Ohmann had three RBI's (two of them coming on a fifth inning double) and Tiernan went three for four.

BECAUSE OF their opening game win, Campbell-Moreland received a day rest before their next encounter, while losing teams had to play everyday until they were eliminated. On the same day as the Campbell-Moreland-Kings match-up, the Santa Clara Mantles shaved the Westside A's 3-1.

One day later, Ribera's Kings came back to trim the Westside A's 8-7, and E. Berkovich from Hayward stopped Palo Alto 8-3. Palo Alto edged Ribera's Kings 6-5, in the first game of day three of the tournament.

After that game, three teams were still undefeated — Campbell-Moreland, E. Berkovich and the Santa Clara Mantles. Campbell-Moreland and the Mantles then entangled in the tourney's third one run ball game.

Campbell-Moreland came out on the victorious side of a 5-4 score, the game being every bit as close as it appears. John Walker earned the win while Sackett was credited with a save, coming in after Walker gave up a home run in the top of the seventh.

Walker is a Bellarmine high school graduate and a sophomore at the University of Southern California while Sackett is a graduate from both Prospect high school and West Valley College.

Campbell-Moreland tallied two runs in the second and the other three in the sixth. Sackett inaugurated the second frame with a walk and rightfielder Mike Coggans followed with a single. Coggans recently graduated from Valley Christian high school in Saratoga.

The two baserunners advanced on a sacrifice bunt by centerfielder Tiernan, a recent Bellarmine high school graduate, and first baseman Jim Waldemarsen then singled the duo home. Waldemarsen is spending his summer here, away from his home in Minnesota. He is a cousin of teammate Ohmann.

TIERNAN OPENED up the sixth stanza with a single and was quickly picked off the first bag. Waldemarsen was walked and stole second. Knight, a graduate from both Campbell high school and West Valley College, singled home Waldemarsen to tie the score at three runs apiece. Knight continued to second on the throw home and then stole third.

Third baseman Ohmann, a Del Mar high school graduate and a San Jose City College sophomore, reached base via an error that also allowed Knight to score. Another Mantle miscue permitted Ohmann to stop at third while Mark Espinoza got aboard.

Espinoza also swung a hot bat during the tourney, hitting .455. Catcher Esau capped the uprising with a sacrifice fly which enabled Ohmann to race home. Campbell-Moreland sustained a Santa Clara rally in the seventh as Sackett came in to strike out the side after Walker had given up a home run.

The first two Campbell-Moreland wins were the only ones they would get as they dropped their next two decisions.

One day after beating the Mantles, Campbell-Moreland was overpowered by E. Berkovich from Hayward 8-1 in a battle of the two remaining unbeatens.

DESPITE LOSING, Knight had a perfect three for three day at the plate, including a triple. Espinoza and Guardino each went two for three. Sackett was the losing pitcher, lasting six innings and fanning seven before being relieved by Coggans. Sackett, Campbell-Moreland's staff work horse, tossed a total of 13 innings in just four days.

Palo Alto downed the Santa Clara Mantles 4-1, which led to a Campbell-Moreland-Palo Alto tilt. Palo Alto then routed Campbell-Moreland 11-1 on a one-hitter, the only safe connection being a Coggans single.

The Palo Alto win qualified them for the finals approximately one hour later against E. Berkovich from Hayward. A win for Palo Alto would not only have given them two for the day, but because of a double elimination ledger it would have forced the tournament to go one day longer since E. Berkovich had not lost yet. But any Palo Alto dreams were shattered as E. Berkovich won 7-3.

Another rule in use is that a team may pick up a total of three players during post-season play from any club already eliminated. Los Gatos — Fontanetti's has selected three performers from Campbell-Moreland: Esau, Guardino and Sackett.

Anderson clings to stock lead

VERN ANDERSON of Campbell continues to lead the field in the stock car show at the San Jose Speedway.

Anderson heads the San Jose stock point parade with 293 points, sitting just five points ahead of second place David Byrd.

Dennis Wilson holds third at 260 followed by Dennis Sargent at 251, Ernie Irvan at 218, Ray Morgan at 217, Jerry Mostek at 142, Ron Strmiska at 141, Ken Boyd at 125 and Tony Capote and Dale Todd at 122.

The Stockers will take the week off while the super modifieds roll in the Johnny Key 150. The stock cars run along with the modifieds in the regular Saturday night show at the Speedway.

Roadrunners claim PAL-GAL top spot

By JULIE SLY

BEHIND the pitching of Lorraine Mullinix and the hitting of Lesley Hayes, the Roadrunners downed the Tiggers 10-5 to take over sole possession of first place in the Major Westside division of the San Jose PAL-GAL Softball League.

Hayes, powering out a grand slam, and Mullinix, continuing her consistent pitching, helped the Roadrunners up their season record to 14-1, while the Tiggers hung on to second place with a 13-2 log.

The Tiggers however, came back to score two victories. Led by the pitching of Kelly Hollbrook, they defeated the A's 11-3 and then beat the Mean Machine 21-5 behind the pitching of Cherryl Powell and a home run by Ann Sasso.

Elsewhere in the Westside, the Rowdies bombed the Mean Machine 17-7 as Carol Biglieri clouted a grand slam for the Rowdies. Laurie Severson threw the win for her team. The Thunderbirds scored two wins, one over the Beavers, 14-2, as Trish Decker smashed a two-run homer and Cathy Weiss pitched for the win. In another win, the Thunderbirds beat the Hit & Run 9-4 as Candice Grigsby pitched the victory.

THE A'S downed the Hit & Run 20-3. The A's mounted powerful offensive attack, led by Joana Dyson's grand slam and a three-run homer by Debbie Livingsgood. Jeanine Wright picked up the win for the A's. In another win for the A's, Lisa Ice slammed a three-run homer to help defeat the Bad Company 17-6.

SUN/SUNBIRD

Players of the week

Gloriann Neverve

Blossom Valley Bobby Sox

It came as no surprise when Gloriann Neverve was picked as a member of the Blossom Valley Bobby Sox minor division all-star team after the 1977 regular season — she had recorded a tremendous year for the BVBS Tigers.

And it also came as no surprise to see Neverve star when it came right down to all-star play.

The minor division pitcher started Blossom Valley off right in the star tourney by tossing a one-hit shut-out to lead Blossom Valley past West Mt. View 3-0. Neverve struck out eight and allowed just a bunt single in the win.

Earlier in the year, Neverve almost single-handedly took her Tigers to a win over the Yellow Jackets, firing a no-hitter with 10 strike-outs and two assists to account for 12 of the 15 outs recorded. She was also three for four at the plate. She came back in her next outing to flip a one-hitter, fanning 14.

She ended the regular season with a 1.60 earned run average and a lofty .525 batting average.

Frances Teano

PAL-GAL Minor Hotshots

Another top notch pitcher has been selected as the PAL-GAL player of the week. Frances Teano of the minor division Hotshots has won this week's honor.

Teano put together an impressive string of pitching performances in PAL-GAL play recently, not allowing a run in three straight games.

Teano tossed three shut-outs for the Hotshots, beating the Roadrunners 2-0, the Jays 7-0 and the Calico Kittens 18-0.

••••

For being selected the players of the week, Neverve and Teano will receive from the Sunbirds one ticket for each remaining regular season home game, a Sunbird t-shirt, a Sunbird pennant and a ball autographed by all of the Sunbird players. The players of the week will be announced at the Sunbird series against Connecticut on August 5-8 and can pick up their prizes at that time. For information call the sports department of this paper at 262-2454.

The players of the week are selected by the sports staff of this paper on the basis of reports published in the Milpitas POST, San Jose SUNs and Campbell PRESS.

Players of the week will be selected each week from the San Jose PAL-GAL league and Milpitas, Moreland, Campbell, West Valley, Blossom Ridge, Almaden, Branham Hills and Blossom Valley Bobby Sox Leagues.

Brown lands giant Campbell catfish

FLOYD Brown got up well before the sun rose over the mountains last Monday morning, just like he does three or four times a week, to fish along the creek near Campbell's percolation pond.

But last Monday was unlike any of Brown's previous trips to the stream. Last Monday he caught the biggest catfish of his life.

Using 12 pound test line and night crawlers as bait, Brown landed a 19½ pound catfish after a 15 minute struggle. The cat was reportedly nearly three feet in length.

Despite the great size of his catch, Brown was still quite a ways from the all-time catfish catch.

In 1959, Edward B. Elliott of Missouri River, South Dakota, caught a catfish that weighed 97 pounds and was 57" in length.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that individually sealed proposals will be received by the City Clerk of the City of Campbell as specified below at which time and place such proposals will be publicly opened and declared for purchase.

BID NO. 77-003: One New 3-Wheel Turf Truckster With Short Bed Dump

DATE OF BID OPENING: Friday, August 5, 1977

TIME: 3:00 P.M.

LOCATION: South Wing Conference Room, Campbell City Hall, 75 North Central Avenue, Campbell, California

Specifications for the above item have been approved by the City Council of the City of Campbell and are on file in the Office of the Purchasing Assistant of the City of Campbell, to which bidders are particularly referred.

All bids or proposals must be made on forms furnished by the Purchasing Assistant. All bids shall include taxes and all costs to be paid by the City and the City shall not be obligated to pay any more than the bid submitted.

All proposals or bids must be accompanied by bid bond, certified or cashier's check by some responsible bank or banker of the State of California, payable to the City of Campbell in the amount specified in the "General Requirements" of said bid specifications. The above-mentioned check shall be given as a guarantee that the bidder will enter into a contract if awarded to him and will be retained by the City of Campbell as agreed and liquidate damages should the bidder, whose bid is finally accepted, fail to deliver the item bid upon within the time for delivery as set forth in the specifications hereinaabove referred to.

The City of Campbell reserves the right to reject any and all bids and to waive any informality in any bids.

By order of the City Council of the City of Campbell.

CITY OF CAMPBELL

siren sounds

DRAGGED 50 FEET

A woman, apparently a veterinary assistant, was reportedly spit on and then dragged 50 feet by a man in an automobile.

The woman said she was approached by the man to take some kittens he had with him and find a home for them. When she refused, the man became irate and spit in her face and left for his car.

The victim followed the man and told him "This is one time I wish I was a man so I could punch you in the nose." At this point the man spit on her again and, according to the victim, he grabbed her from inside the car as the driver of the vehicle accelerated, dragging her 50 feet before she could get free.

Aside from minor bruises, she is all right.

CANDY WRAPPER BURGLAR STRIKES

Hazelwood School, 775 Waldo Drive, was the sight of a burglary recently.

Children noticed a broken window and when the police inspected the area, found several of the rooms had been disturbed and desks ransacked but were unable to determine if anything was taken until teachers inspect their rooms.

Police found an uneaten candy bar and a wrapper from another in the area of the classroom.

STEREOS TAKEN

Last week two local homes were reportedly burglarized of expensive stereo equipment, with one of the homeowners recovering his property.

After reporting his $1,100 stereo missing, one caller discovered the thief had left the equipment in the backyard under some bushes, apparently intending to come back for it later.

The other man was not so lucky.

He returned home from a weekend trip to discover his stereo, TV, camera and albums were stolen, totalling $3,430.

People

PHI KAPPA PHI

Rachel Bedford, 1251 Munro Ave., was one of 200 initiated into Phi Kappa Phi national honor society at Syracuse University, New York.

Bedford, a management major, joins 200,000 members in more than 100 chapters. Only students in the top 10 per cent of each school are eligible for membership.

HONORS LIST FOR KEMP

Lina Arlene Kemp of Campbell was named to the honors list for the spring semester at California State University, Chico.

Kemp, a nursing student, carried more than a 3.5 grade point average.

WELCOME WAGON

The West Valley Welcome Wagon Club will hold their "Coffee" get-together at 10 a.m., Tuesday, August 2, in the community room of the Northern California Savings and Loan, 10250 De Anza Blvd.

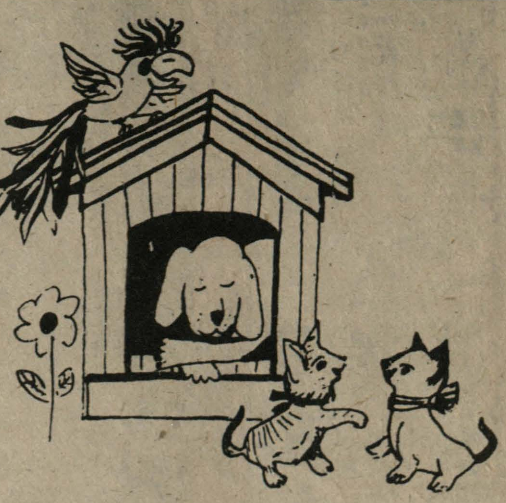
A warm welcome awaits you and they hope you'll join them to hear about the activities they have planned.

CAMPBELL WOMEN CONVENTION-BOUND

The San Jose Business and Professional Women's Club will send its President Pat McIntyre and Vice-President Dorothy Janke to Louisville, Kentucky, for the National Federation of Business and Professional Women's Club Convention July 24-28.

Over 3,000 delegates from across the nation will attend this "Human Rights, Women's Rights" theme convention.

SHOWERING with a friend is just one way to save water and West Valley College managed to save 6.5 million gallons over last June at this time. Above, from left, Michelle Alberry, Heidi Lorenz and Martha Hernendez (of Campbell). A new college district resource management committee has openings for five concerned residents of the college district area. Deadline for applications is August 15.



Pet Patrol

FEISTY KITTEN FOUND

A dark grey tabby male kitten was found recently on Montezuma drive. He has no collar, a playful disposition and a "squeaky" meow. Call Charlie at 374-8724 before the family gets attached to him. (Herbie cat, the family pet, is placing this notice.)

LITTLE "BIG FOOT" NEEDS A HOME

A friendly, male puppy, either Huskie or Shepherd Mixed, needs a home. He was found on Sobrato Drive last week and the finder doesn't want to send him to the pound.

According to his finder, he has "gigantic" beige feet and a curly tail. If you are interested in a clean, well-behaved dog, call 374-9619.
